### My self-summary

I'm a very chill, down to earth girl. I am happy with myself but I am always working to better myself wether physically, mentally, and especially with my education. I enjoy intelligent conversation. I am actively seeking a serious relationship. Please do not message me if you are just wanting sex.

### What I'm doing with my life

I am currently in the application process to get into CMU. I am searching for a job at the moment. I am very excited about the near future.

### I'm really good at

Cooking  
Walking  
Working on computers  
Painting  
Drawing  
And much much more.

### Favorite books, movies, shows, music, and food

Ask me and I will let you know.

### I spend a lot of time thinking about

Life. Lessons that can be learned.

### On a typical Friday night I am

Chilling at home watching TV.

The two of us
